TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Vishnu S L** was employed with Trivandrum Geotechnical Testing and Solutions as a **Soil Testing Laboratory Manager** from **30/07/2025 to 01/10/2025**.

During his tenure, he demonstrated exceptional technical competence, leadership, and diligence. His core responsibilities and achievements included:

- **Executed Standard Penetration Testing (SPT)** and oversaw comprehensive field and laboratory soil investigations to evaluate subsurface conditions.
- **Supervised geotechnical soil testing**, including soil classification, compaction, California Bearing Ratio (CBR), sieve analysis, and Atterberg limits, ensuring strict adherence to relevant engineering standards.
- **Authored detailed field observation reports** and recorded accurate field data to streamline the geotechnical analysis process.
- **Reviewed and analyzed soil investigation data** to deliver critical structural inputs supporting pavement design and large-scale infrastructure planning projects.
- **Assisted in compiling comprehensive geotechnical reports**, translating raw field data into actionable engineering recommendations for stakeholder review.

Vishnu has proven himself to be a dedicated professional with a strong understanding of geotechnical methodologies. He maintains an excellent moral character and professional conduct.

We appreciate his valuable contributions to our organization and wish him the absolute best in his future professional endeavors.
